

Sunset, an orchestrated bugle call

The lowering of the Canadian flag, or ensign, at the end of the day is accompanied by the bugle call "sunset". For more formal occasions, when a full band is present, the following, stirring arrangement is ideal. This arrangement is an adaptation of the original by Bandmaster A.C. Green of the Royal Marines.

"Orchestrated Sunset" was first played during Beating Retreat ceremonies conducted by the Royal Navy Mediterranean Fleet in 1934. Today it is used invariably during naval Sunset Ceremonies and during the Ceremony of the Flags. Although not a requirement, it may be played during a sea cadet corps' weekly Sunset Ceremony.
